ABOUT ME

I am a Junior Web Developer skilled in React, Javascript, PHP, and Django. Currently studying Mechanical Engineering at Thanlyin Technological University, I apply problem-solving skills to both web development and engineering. Passionate about building dynamic and efficient web applications.

EXPERIENCE

SELF-TAUGHT WEB DEVELOPER

May 2022 – Present

- Developed multiple projects using Javascript, JQuery , PHP, and React, focusing on full-stack web applications.
- Gained hands-on experience with database management (MySQL) and building dynamic UI/UX.
- Continuously improving coding skills through self-learning and real-world projects on GitHub.
